

Welwyn & Hatfield Consortium Year 12 Application Form 2019

You must read all the information on this application form carefully. It provides information on the courses and subjects available for September 2019 and the people who can help you complete this form. If you do not have one already, ask your school for a Consortium Application Pack which contains valuable information when making your course and subject choices.

This application form must be completed and handed in by Wednesday 23rd January 2019

The following notes will help you complete the application form:

Section 1: Personal Details

This section contains personal details which will ensure a smooth transition from Year 11 into the Consortium.

Section 2: Predicted Grades

To ensure that you are selecting subjects at the appropriate level, please complete this table with the subjects you are currently taking and your predicted grades. Entry requirements for courses in the Consortium will include the Average Point Score (APS) for Key Stage 4 and subject specific criteria.

To calculate your APS **add** together the value of each of your predicted grades and **divide** by the number of subjects you are taking (see below). If you are taking fewer than 8 subjects, then you must still divide the total by 8

You may be taking a programme that includes BTECs. Count each course as the equivalent of one GCSE. These must be taken into account when calculating your APS.

Please refer to the 2019 Course Entry Criteria for guidance as to which programmes and courses you are eligible to apply for.

Points Scores for GCSE 9 -1 subjects

GCSE Grade	9	8	7	6	5	4	3	2	1
KS4 Points	9	8	7	6	5	4	3	2	1

Points Scores for BTEC Firsts

BTEC Grade	Distinction *	Distinction	Merit	Pass	Level 1 Pass
KS4 Points	8.5	7	5.5	4	1.75

Example how to calculate your APS

Subject	English Language	English Literature	Maths	Biology	Physics	Chemistry	Art	History	BTEC IT	BTEC Sport	Total	APS
Grade	5	6	5	7	4	5	3	5	Dist.	Pass	10 subjects	51 ÷ 10
KS4 Points	5	6	5	7	4	5	3	5	7	4	51 points	= 5.1

Section 3: Course Choice

This section allows you to state clearly which courses you would like to choose. Your average points score will indicate the level of programme you should apply for.

Use the grid on the next page to select the subjects you wish to study.

- Only select one subject from each block.
- Some vocational subjects where highlighted are offered over more than one block, so any of these must be selected in all the appropriate blocks.
- Read section three very carefully to check the range of courses available to you, as this will differ depending on your average points score

Course Allocation

The consortium intends to deliver the courses offered in the blocking form. If student uptake numbers are very low for a class then the course may not run. During this academic year there may be a need to change the subjects offered in the blocks. Students will be informed of any course closures or block changes that affect their choices.

.....

Progression to Year 13

It is important for all students to be on the correct courses that can give them the best possible outcomes. Students starting Advanced Level subjects in September 2019 are expected to achieve at least a D grade in two subjects to progress to their second year. These grades will be determined through internally set end of Year 12 exams.

If this standard is not met there will be a review of, and possible amendment to, that student's course provision. As part of the review, the student's attitude to work and their attendance will be considered. Attendance at a student's home site's programme of activities on Wednesday afternoons and/or Friday mornings is compulsory and this will also be taken into consideration when reviewing progression. Any changes made to course provision will be in the best interests of the student's potential achievement; full support will be given should there be a need for a change of course or institution.
